

Rohit is little stubborn. If he doesn't like an activity or is disinterested, he will freeze, not respond at all.

On good days he will do everything with lots of enthusiasm and interest.

## ENGLISH LANGUAGE

Rohit is quite sharp and when he is active, he is participative and eager. His spellings have taken a turn for the better and he is slowly coming out of his lethargic attitude towards writing though he has to often be prodded to write.

Rohit's reading is a little broken but he doesn't deter from trying.

His pronunciation has improved and he is able to remember new words well. He takes time but grasps the grammar.

Little untidy but is trying to better himself. Was having trouble with identifying 'b,d,p' but is being more conscious, he does at times make errors.

## PROJECTS AND ACTIVITIES

A very sweet boy, Rohit lacks attention in class. His work is extremely untidy and his genuine attempts to help the group often end up being counter-productive.

He is making slow, steady progress at learning.

## ENVIRONMENTAL SCIENCE

He is very weak student. He has problem with reading and writing.

While making models and doing experiments he concentrates well.

He likes do make models very much. During the house topic he made a beautiful model of house boat.

## MATH

Rohit is intelligent and works fast. But he is not focused on his work.

When he concentrates he does well. So his progress is very slow.

At present he is doing book 3. He still does not know the tables. So he is struggling in multiplication and division.

Using objects and pictures children understood the concept of different operations well. They still struggle when they are asked to do mentally.

## HINDI LANGUAGE

Rohit needs lots of practice. He has not yet learnt to listen carefully, which is very important for Hindi writing.

He speaks properly, pronunciation is good. He is not fond of reading also, he finds it difficult. We are taking his extra classes. He is being emphasized to listen carefully and given dictation also.

Regularly he is given to read more and practice writing which involves thinking, imagining. He is working hard at improving himself.

## ODIA LANGUAGE

Rohit is irregular to class. Many times he goes for a walk or forgets there is an Odia class. Due to this reason he has hardly progressed during this term.

## SPORTS

Rohit loves games and sports. Basketball is his favourite sport though he also enjoys football. He is a good player, but at times when there are fewer boys in his team or he is not so interested, he will not play that day. He is quite an energetic boy.
