Laxmi Krisani

Date of birth - 8th December 2012

April 2018 - March 2019

Laxmi is a hard working child. She takes interest in any physical works like bringing water and watering the plants, sweeping the ground.

She is new in Joy group. She comes to the school everyday.

Though she was in school from before, in the month of Dec ember she joined in Joy group. S he sits very quietly in front of didi.

Music

She has learnt many songs but is not confident in Hindi
and English.

Sometime she can't concentrate. She likes all songs but cannot always remember them.

Topic

Laxmi is new in Joy group.
She doesn’t concentrate and doesn’t sit properly in the group time.

She doesn’t have interest in learning and she complains about others.

Art & Craft

She is learning how to hold crayons, how to draw simple trees and flowers.
She folded a paper and made paper fan.

She can’t fold paper properly.
Sometimes she is not interested in paper folding

Math

Laxmi has learnt forward and backward counting from 1 to 20. She has learnt what comes after a number.

In what comes before a number, she is confused. She has learnt shapes. In math time she is not concentrating so she cannot answer to didi. She has learnt the names of the week. She knows skip counting 2-4.

Addition and subtraction is very difficult for her . With objects she can, but she takes too much time to answer. She has learnt breaking numbers but if it is difficult she cannot answer. She has learnt time but is not clear.

English

Laxmi came to Joy group in July. In the group activities when Didi's ask questions, she can’t understand. She has learnt alphabets but is not clear.

She can’t recognize the letters. She likes to hear stories but doesn’t always understand. She likes to do role-play and she is interested in it.

She rarely speaks in the English class.

Hindi

She has learnt the first letter of her own name. She can’t concentrate in Hindi class. She can’t listen to the stories properly and can’t give answers She can’t speak a full sentence in Hindi.

She is also weak in studies but can understand what is being taught in the class. She has to work hard in recognizing the Hindi letters. Her thinking power is weak so she has to work hard on it.

Celebrations

She participated in many functions but she does not like to do any school programmes.
But she attends all school programmes.

When we asked her which character you want to play, she replies that she doesn't like any character in the story.

Games

She likes to play in the sandpit, digging hole in the sand, on swings, sand castle and toy kitchen. In physical activities she can’t do properly. Her body is not flexible in yoga. She cannot balance. She is interested but it is difficult for her. In games she is interested but she rarely runs. She did yogasana on Sports day and was confident in it.
