

GAURI 12 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

ENGLISH

Has shown a little improvement in her spellings and sentence construction, but she still has some way to go. She speaks in English and rarely shifts to Hindi like she used to.

She sometimes loses interest while working and has to be brought back. Her spellings are average and can get much better if she can apply herself.

Gauri was very good delivering her lines in the drama. She performs better when she participates in class and needs to do this more often.

hardworking as well as obedient student.

MATHEMATICS

Gauri puts her effort in doing Math. She takes time to understand the concepts. She needs concrete explanation to understand.

She gets motivated to do if she solves some problems, else she discontinues work, without asking for help. Gauri is a
