Jayanti Krisani

Date of Birth- 3rd April ,2014

April 2018- March 2019

Jayanti is a lovely child. She has always a smile on her face. She is the youngest child and a doll in our joy group.
She has a good behavior towards didi's, but not towards her friends.

❑ Music:-

She has learnt lots of bhajans and fun songs during music time and also does body movements.

She learns very quickly and sings loudly.

❑ Topic:-

She had made mango tree in the trees topic. When didi asks her something, she is very shy to tell and takes time to answer.

In sense organs topic, Didi had made them taste salt, sugar, chili powder etc.

She knows the names of the five sense organs. She studied five more t opics and learnt a lot.

❑ Art & craft:-

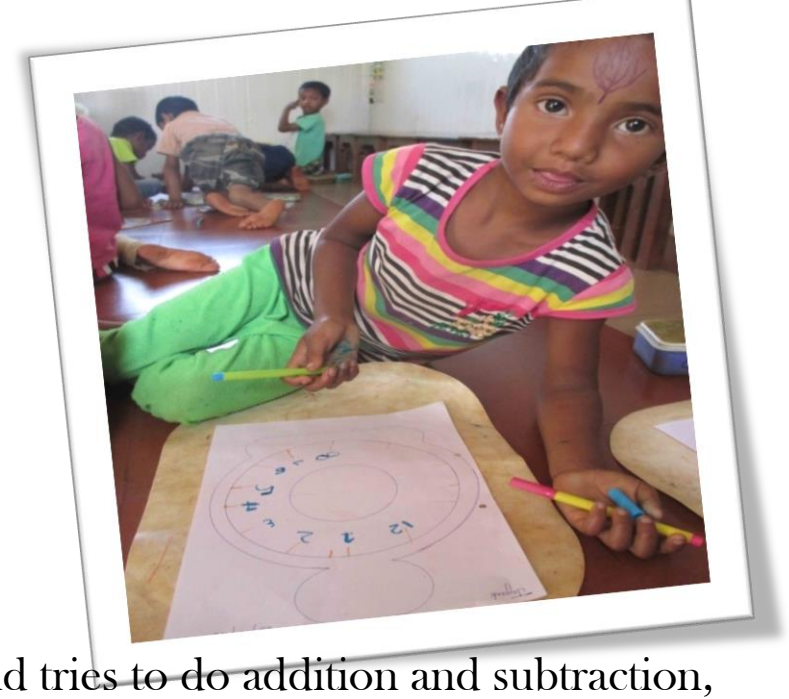
Jayanti does not sit properly. Her fine motor skills are not developed. Sometimes she can't hold the scissors properly.

When she cuts some papers, she is very conscious.

She has learnt paper folding, pasting and painting with picture books but not well. Sometimes she helps didi's.

❑ Math:-

Jayanti sits quietly and rarely ta lks in the class. When asked anything, she takes time to respond. She has learnt addition, subtraction and names of months, days and shapes and in between numbers.



She knows the names of shapes and tries to do addition and subtraction, but she is confused in both. She can count with objects without making a mistake. She has learnt measurement.

She is clear in cubit, hand span and palm span. She is not clear in seeing the time. She is facing difficulty in telling the time. She is not very good in mental math.

❑ English:-

Jayanti is a shy girl. She tries to speak in English. She can understand English. In thinking activities she takes time to answer.

She is learning alphabets. She can now differentiate between the letters.

She has learnt sounds but is not clear. She is not attentive during storytelling.

She likes doing role-play. She likes to learn small dialogues.

❑ Hindi:-

She listens to stories nicely and gives answers. She learnt the first letter of her own name and some other letters.

When she tells a story, she tells in six seven lines with a picture book. Her voice is clear.

She can think stories in Hindi but she takes time. When stories are told she listens carefully.

❑ Celebrations:-

She was feeling shy in front of the audience. During practice, she does well, but not on the stage. She participates in all programmes with interests.

She is very happy when we practice for any school programme. She likes to wear costumes and makeup. When she does body movements and dramas on the stage, she does not look in front.

She recited “Invitation” poem of Sri Aurobindo and a dance on 15th August. On Janmashtami, her character is Gopi.

She performed very nicely with her friends. She likes funny music and does body movements.

In Christmas programme she sang carols, but she took time in it.

Hymn to Durga she faced difficulty because their words are difficult. She got c onfused and murmured.

❑ Games & sports:-

She enjoys all physical activities with interest.
Her favourite game is hide-and-seek.

Her stamina is very go od. She does not get tir ed. She is flexible in yoga.

She can balance in the asanas but it is difficult for her to do all the asanas. She likes to play fun games.
