PROJECT:

always participates actively in the project class.

In the topic time he sits properly &listen carefully whatever didi teach in the project class. He is interested to learn new things.

He does topic based activity happily. He tries to understand & remembers whatever didi teaches.

In insect topic, he was very happy and attentive in learning. He is a kind hea rted boy, who never harm an insect. He liked to talk about the helpful insects to his friend. Once in the garden he found an earthworm and put it under a plant and said “this earthworm will get proper oxygen from the plant. So let it be here”. He learnt many different types of insects, their body parts, where they live and what kind of food they eat. He also learnt which insect is helpful and which is harmful. In the play “our creepy-crawly friends” he was the narrator. He did his role sincerely. The way he delivered was appreciable.

Narsingh took interest in early men topic and took so much interest in early men. He was interested in the transport topic and he also knew the stages of the wheel.

He remembered well and was able to speak freely. In India topic, he learnt the names of different states and their capitals.

He knew the name of neighboring countries of India, rivers, dances and languages of India.

He took some time to remember the new words with ease.

While playing quiz games on India, he replied very rarely. He also studied about the festivals celebrated India by different religion, states and nationally.

In solar system, he enjoyed a lot watching the video of planets and was interested to learn the song.

He was eager to know about names of planets.

He was engrossed in making the model of all planets.

In Human body topic, he was much interested to draw the picture of internal parts of our body.

He studied about the internal as well as external parts of our body.

He also tried to understand the functions and parts of different systems of our body.

In animal topic, he got to know about the classification of animals based on eating habit as well as their habitat. He was able to make the list of wild animals and domestic animals.

He made the chart of herbivorous animals being happy. He enjoyed making a story and use of puppets in storytelling a lot.

In celebration topic, he showed interest in listening to the stories of the freedom fighters. He participated in the play of Baji Rout.

He also participated in the marching by singing the victory of the freedom fighters.

He performed the song of Bhagat Singh with the actions. He remembered the whole song nicely.

On Janmashtami, he had the character of Krishna's friend in Bakasur play.

On Ganesh Chaturthi, he had the role of a mouse. He is always alert while performing his role.

He also memorizes his dialogues with a little help. He speaks the dialogues with proper pause, and voice modulation.

On Christmas, he learnt a song and partici pate in play called “The Baby Wake Up the Sun” and acted as a cow. On Mother’s birt hday, he acted as a disciple in “True Education” play.

GAMES AND SPORTS:

He remains active in the field. He loves to play in the field as well as in the sandpit. In play field, he enjoys playing standing kho, dodge ball, duck and bone and football.

In the sandpit he swings happily. He plays, runs and jumps according to his own capabilities. In indoor games, he likes to play with logo blocks.

He also likes to arrange the puzzles. He can climb the tree well on his own. On sports day, he participated in Aerobic and performed well on the final day.

He is learning skating and cycling.

SKILL WORK:

He is good in skill work. He does his work slowly & beautifully. He is not so good in drawing & painting. He is good in Origami. His hand writing is good.

He always does his work with his friends. He likes to make a boat drawing.

He likes to do clay modeling also. In clay modeling, he makes some boat and mobile. In the puzzles room he solves puzzles with his friends.

ENGLISH:

Narsingh is a shy child. He learns everything very fast but hardly expresses himself. He can read a book fluently.

He loves reading books and can also understand some portions while reading. He can write the words correctly with little help from the teachers.

He can write properly but most of the time uses an eraser which makes his work little shabby.

He participates in the word games and spelling games. Narsingh hardly sings in the group and fee ls shy while doing role play. With some help he can think of a story in English and can illustrate.

MATH:

Narsingh is doing Math from Book-2. He is good in adding and subtracting small numbers. He sometimes needs individual attention to understand the various concepts of math. He can write the number till1000. He can do the addition of 2 /3 digits. He has also learnt the spelling of months and days. He is able to arrange the numbers in ascending and descending order. In measurement, he has studied about the different units used in measuring the mass, volume, capacity, but still he needs a lot of explanation to understand the concepts. He can tell and write the time seeing the clock.

HINDI:

He is regular in the group. He sits quietly during the class.

After learning there, u, uu and a" matras he could easily proceed to learning the 'i' and 'o' matras. He was good at dictation, made almost no mis takes.

He can read books well and has clear speech. He loves listening to stories.
