ANNUAL REPORT FOR 2023-24 (Second Term)

ANNUAL ATTENDANCE 358 Days Out of 366 Days

Introduction: My name is Malti Paraja, and I am 17 years old. Dance is my favourite hobby, and I have a great passion for it. I have volunteered for taking 5-hours of classes for the younger children of my school. After completing my 12th grade, I enrolled in IGNOU for BA, majoring in English Honours.

Shramdan: I find joy in

participating in shramdan activities. Our shramdan sessions begin at 6:30 am and conclude at 7:30 am. I engage in various tasks such as kitchen, toilet, and hostel cleaning, gardening, and school upkeep. Every Sunday, I dedicate time to clean my room, and I particularly enjoy sweeping the floors.

Sports Day: Our school celebrates its Annual Sports Day, typically in January or the first week of

February. This year, our Sports

Day was celebrated on February 3rd. The day commenced with a concentration on the Mother's Music for two minutes,

followed by a marching performance with all my friends. The main program started at 3:30 pm, during which I participated in Lazium and also performed a dance with my friends to a song dedicated to Shivaji. The event featured various other activities such as skating, unicycle, bamboo dance, gymnastics, and army drills.

Festivals: I actively participate in celebrating numerous festivals at our school. For Christmas, I performed a dance to the song "Christmas Time is Here," and I also danced to welcome the New Year. During Holi, we celebrated with natural colours made from organic materials.

Trip: On the 29th of October, we embarked on a trip to the North-East. From Koraput, we took a train to Titlagarh, where we spent the night. The following morning, we continued our journey with a train from Titlagarh to Howrah. In Howrah, I caught a train to Guwahati, where I

visited a museum and the Kamakhya temple. Next, I travelled to Tejpur, where I explored the Shiv temple, Agni garh, and Ganesh ghat. Afterward, I returned to the Pastoral Centre, packed my belongings, and journeyed to Rupa, where I stayed for a night. The next day, we travelled to Tawang, stopping at Sela Pass to play in the snow.

In Tawang, I visited Bumla

Pass, Asia's second-largest monastery, and the war memorial, with Bumla Pass being a personal highlight. From Tawang, I returned to Rupa for another night before visiting a kiwi fruit farm and proceeding to Kaziranga for a Jeep Safari. I enjoyed spotting elephants and various deer species.

Next, I travelled to Shillong, where I explored Seven Sister Falls, Elephant Falls, and Mawsmi Cave. After a night in Guwahati, I journeyed to Howrah, where I visited Science City before returning

to Koraput by train. Finally, I reached Kechla, concluding my memorable trip, which I thoroughly enjoyed.
