**GAMES AND SPORTS** - Kamli is the golden egg of the group when it comes to **Basketball**. Her shooting and dribbling are really advanced and she can make her presence felt. However, she sometimes gets a little put off and stops playing.

Her **football** too is good and from a defender, she has now advanced to making quick runs with the ball along the flank but needs to then work on her finishing. In volleyball she still seems to be finding her feet. A good team player.

On the **Sport's Day** Faith Group was part of the **Agro Wonders** - Aerobatics, Skills on Wheels - Skating, Joyful Jesters (Circus), Happy Feet - Football tricks, and Rim Jhim - Lazium Dance. Kamli was part of the football demonstration and her natural athletic flair was displayed as she shot goals and headed with confidence.
