

KAMLU 12 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

ENGLISH

Kamlu is good with spellings and sentence constructions. His stories are quite complex when he likes the topic.

He has become slightly lazy in class and tries to waste time when he is not in the mood to work.

He has very nice hand writing. Needs to understand punctuations better, this will take his writing to another level. He likes to read but tends to prefer simple texts. He uses new words he picks up from his reading.

Kamlu has interesting questions to ask sometimes and loves to listen to stories.

MATHEMATICS

Kamlu does his work quietly without getting disturbed. He does not take any help from anyone, he even tries to understand new concepts by himself.

Mostly Kamlu makes mistakes when he does not understand the concept and

has to practice again and again. He is going to finish Book-V this month but his understanding concepts are still not clear.

He has already learnt LCM, HCF, measurements and conversions of the measuring units etc. He has gained full experience in the basic operations. His handwriting has also improved.

HINDI

Kamlu is not fond of Hindi. He avoids self-reading. When he studies and reads he pays attention. Though he is a slow reader, he is confused about the matras used. So he falters in dictation. He tries to write properly but he makes mistakes. He is also struggling to pick up Hindi grammar.

SANSKRIT

Kamlu is slow in Sanskrit reading. He is unable to make proper sentences. He finds it difficult to understand.

KAMLU 12 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

ODIA

Kamlu is making effort to read and write Odia language.

SCIENCE AND TECHNOLOGY

He is very innocent child. His hand writing is very good. Sometimes he is moody and doesn't want to study. When we insist, he starts crying.

During the heat topic he was given to find out the boiling point of the water, he performed his activity perfectly.

For electricity topic he made a working model of rheostat using a pencil, wire, bulb and batteries.

PROJECTS AND ACTIVITIES

Intelligent but struggles with attention deficits. Cheerful at times he can get bitter and stubborn too.

Loves to read but may not always pursue the book till its end. Likely to be acquainted with nearly all the books in the school library.

SPORTS

Kamlu loves to play football and has been regularly improving his skills. He likes to create passes but refrains from shooting but enjoys taking corner kicks.

In volleyball he is still picking up but he has become more comfortable in the past 4 months since the children have started playing the game. He is also getting better at serving
