

Harekrishna is very particular and observant child. He notices what others are doing. Also compares what / how he and others have performed on sharing day. When scolded for something he points out when/what others have gone wrong in.

ENGLISH LANGUAGE

Harekrishna has progressed steadily over the last six months. He now speaks with more confidence and smilingly corrects himself.

There is a better flow to his reading now and his pronunciation is crisper. He still needs to pick up on the sounds to get his spellings better. He has a quick brain but also tends to lose focus.

Writing is slowly getting better but he needs to start being a bit more creative with his stories. Has occasional errors with the 'b,d,p' but not all the time.

PROJECTS AND ACTIVITIES

Harekrishna is adorably assertive and expressive.

He dislikes writing but possess a natural talent in drawing. He can be lured to write by disguising it as an art assignment.

His spellings and reading abilities are quite poor.

ENVIRONMENTAL SCIENCE

He is a sincere student. He performed his work peacefully and calmly.

MATH

Harekrishna works hard. He takes time to understand the concepts and steps required to be done. But he forgets quickly.

He needs help to understand and solve the problems. He is currently doing the level 4 book.

He is confident in four numbers operations of big numbers also. He needs to practice multiplication and division more.

HINDI LANGUAGE

Harekrishna reads properly. But he does not require Didi's help while reading.

He is still learning to write and confuses matras. He is being given extra classes, so that he improves his reading and writing.

While speaking he does not make as many mistakes. His hand writing is also nice and clear. He likes to read jokes/comics.

ODIA LANGUAGE

Harekrishna is not regular to the class.

Many times he goes for a walk during Odia class.

Sometimes he forgets Odia class timings. For this reason he has not progressed much in this term.
