

RADHA 10 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

ENGLISH

Has improved her sentence construction and she is more conscious of tense and punctuation. Her reading is very clear. She is more proactive in sharing her work for correction recently.

She has improved on the emotional front as she throws fewer tantrums now. Her spellings are good and can get much better.

Good at translation. She can be much more creative in her writing if she allows herself. She was a little stiff in the drama but delivered her lines nicely.

MATHEMATICS

Radha has finished Book-IV and started Book-V. She takes time to understand the concepts. She works very slowly. Many times she sits quietly without doing anything. To solve a problem, she requires help at each and every step.

She doesn't put much effort in Math. She is also stubborn at times and

doesn't listen to diyas.

RADHA 10 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

HINDI

She is an intelligent girl and she has learnt to read properly. But she is not regular to school so many times she has to catch up on the topics covered.

Earlier she would prefer that she writes flawlessly, so she will continually ask Didi and write only after guidance. Now she has overcome this apprehension. She rarely makes mistakes in her written work. Her vocabulary is also well developed.

RADHA 10 YEARS OLD

NEW CREATION GROUP - OCT'14 TO MAR'15

SANSKRIT

Has a beautiful handwriting. She is able to read prose and poetry in Sanskrit. She does sentence making well, rarely makes a mistake.

ODIA

Radha is eager to learn Odia. Half the time she is focused, remaining time she is distracted. She needs to read clearly and also write neatly. Radha is least interested in singing.

She has great interest to do reading and writing correctly. She asks and takes help of didi to make sure she is reading and writing correctly.

SCIENCE AND TECHNOLOGY

She is the youngest student in the new creation group. She pays good attention towards her experiments and model. She made many models and experiments, working of a magnetic compass etc. Pollination was good experience for her.

SPORTS

Radha is quite athletic and gets involved in the game when she is in the mood. In football she is good at passing and is getting better at dribbling and shooting.

In volleyball she is comfortable with digging. In all sports she likes to lead but gets upset when her team isn't doing well, she stops participating at times for various reasons.
