

Hemant Muduli

Hemant is an outstanding boy. He is the one who comes to the school first and plays alone in the school until somebody opens the group. He is intelligent and learns everything very fast. He sits in the group properly and can concentrate for long periods. He participates in all the activities and is always eager to learn new things. He is a soft-spoken boy and is very friendly with everyone. He is very helpful by nature. He sometimes decorates the flower plate for the Mother and also helps his friends to arrange the group. His best friend is Kartik.

Circle time

While chanting, Hemant sits properly and chants beautifully. He sings very well and pronounces the words clearly. He is interested in learning different chants and bhajans. He leads the group confidently while singing or chanting. His voice is clear and loud. His favourite sloka is “Shuklamvara Dharam Vishnu”. He loves to sing “Amma Mujhe Bansuri Dedo” during the circle time singing most of the time.

Cleanliness

Hemant always comes to school neat and clean. Sometimes he also helps in cleaning the group. He is fully toilet trained. He winds up the things after playing and puts them on the right place.

Food habits

Before eating, Hemant cleans his plate and hands properly. He takes the food as much as he wants. He never wastes food. Earlier, he was a little fussy about the vegetables but now he eats all most all the vegetables. He sits properly while eating and he likes noodles and poha for breakfast. While eating, he eats carefully so that the food won't spill on the floor.

Language

Hemant can understand and communicate very well in Hindi. He is very much interested in listening to Hindi stories. He is able to answer the questions related to stories when asked. Hemant also enjoys singing Hindi rhymes and songs with action.

Hemant can understand simple instructions and stories in English. With little action and expression he can comprehend the short stories. He likes

to listen to animal stories. Sometimes he responds in words. He knows the names of the common birds, animals, fruits, flowers and vegetables. He can also say the names of the external body parts in English. He enjoys singing English rhymes with action. He is always attentive during the activities.

Maths

Hemant is always alert in the class. He can compare between fat and thin, slow and fast, heavy and light, big and small, more and less, etc. He can count till ten with the help of objects. He has learnt the names of the basic shapes like square, circle, rectangle and triangle and can recognise them. He loves to collect objects from nature and enjoys counting and decorating them on the floor.

Skill development

Hemant is interested in drawing the things related to nature like sun, flowers, trees etc. His colouring skill is very good and after finishing his drawing, he helps his friends. He is also very much interested in clay modelling. He usually likes to make fruits, trees, truck, flowers and cars with clay. He can easily follow the instructions for paper folding and with a little help he can make umbrella, bird, house, fish, boat, etc. He does all the art work with lots of enthusiasm.

Dance

Hemant loves to dance and act to different songs and he is very much interested in learning new dances. He remembers his steps very well and can easily learn the new steps. On 5th July, he did a dance on the song “Bum, Bum Bole” and on 15th August he did a dance on “Desh Mere Desh”.

Games

Hemant enjoys playing games and always loves to play with his friends. He likes to play on the swings and also likes to swim in a small pond with his father. He can climb up a tree and can jump from quite high. He enjoys fun games very much. He also loves to play with puzzles and Lego blocks very much.

Sports Day

Hemant was interested in learning the dance for the annual Sports Day. He did a dance “acrobatic dance” confidently on the main day. He enjoyed doing the dance with his friends. He enjoyed playing some fun games like zig zag, coin search and balancing the marble in the spoon.
