## **Report for 2022-23 (first term)**

### *English*

Lakshmi is an intelligent girl but she needs to concentrate and apply herself more in the class. She has a lot of problem in spellings. Sometimes she forgets to do her homework. But she tries her best to speak in English in class. She has a timetable in the group which she follows regularly. On Wednesdays and Mondays, she has free reading - on that day, she goes to the library and picks up the books that she thinks that she can read. Her reading has also improved than before, but she stops a lot while reading and cannot read the difficult words. On Thursdays, she has group reading and in group

reading she has finished reading two books: "Charlie and the Chocolate factory" and "Fantastic Mr. Fox". On Fridays, she has grammar and she is currently doing the 3<sup>rd</sup> class Good Grammar book. She gets her work checked and does the wrong ones again. On Saturdays, she has to enact plays and on that day, she goes to the library with her friends and reads the stories from Amar Chitra Katha or Panchatantra. They create their own lines and make a play and show it in the assembly hall. She is a little nervous when she goes on the stage. On Sundays, she watches a movie or reads a poem. She is learning the poem "Who". In movies, she has seen English animated movies like "The Polar Express", "How to train a dragon", "Snow

white”, “Ice age”, “The lost princess” and other movies. While watching a movie, she sits very quietly and enjoys the movie.

### *Hindi*

Lakshmi is doing the 3<sup>rd</sup> class book of Gunjan. Her reading and writing needs improvement. She needs a lot of attention in the class. She has a problem in explaining the answers. She makes a lot of mistakes of *matras* while answering questions. She needs to improve a lot on this and in making sentences. She needs help while answering the questions. She did a play

on 5<sup>th</sup> July on Ganga and she was a *purvaj* in the play.

### *Odia*

Lakshmi has a lot of interest in learning Odia, but she needs to be more sincere and responsible for bringing her notebooks in the class on time. She likes to sing and listen to Odia stories.

## Mathematics

Lakshmi has finished doing her practise book and started doing the fourth book of composite mathematics. She recently finished doing the revision exercises from the fourth book. She found solving some of the problems of revision exercises a little tough. She is now doing the revision of fractions and decimals. She also learnt the topic of money. She learnt how various coins look like, such as one paisa,

two paise, ten paise, etc. She also took various types of paise (50, 20, 25, 5, and 10) and traced it on her notebook. She tried to solve the word problems by herself without taking help and also learnt how to play the game 'monopoly'. She could relate the roman numerals and could differentiate the numbers and

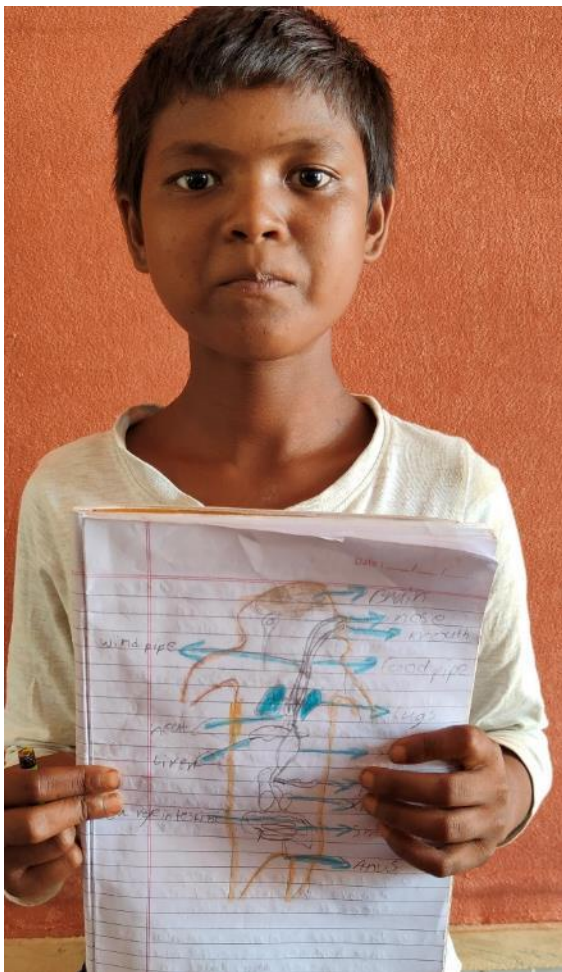

enjoyed doing it too. Once in a week on Sundays, she gives a test of a particular topic such as fraction, decimal, etc. She needs to work hard to improve her understanding in Math sums. She still needs a lot of special attention.

## Projects

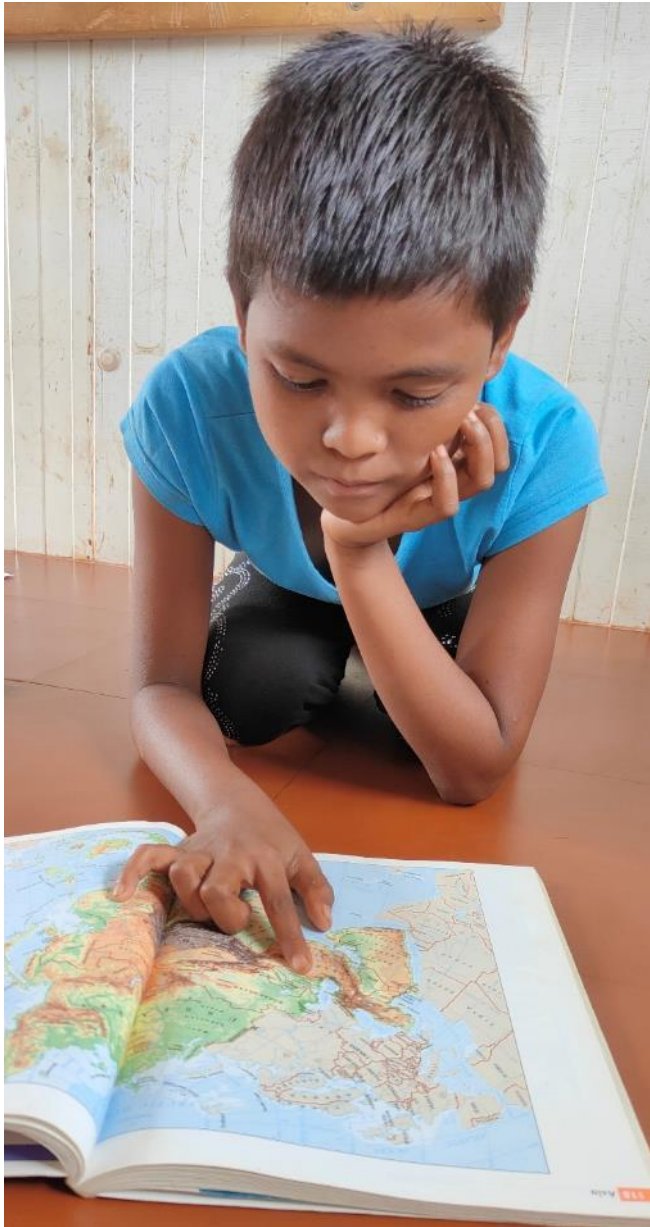

**Simple Machines:** Lakshmi had put in her effort in understanding the discussions and tried remembering them. She participated in the activities in the class and enjoyed a lot. She tried her best in

remembering the different types of simple machines and their daily usages. The same thing had to be repeated many times for her so that she could understand and remember it. She chose to take pulley as a simple machine and presented it by using it for lifting weights.

### **Human Body:**

While we were doing the project of human body, Lakshmi had difficulty in understanding the nervous system, digestive system and respiratory system. Lakshmi helped to make the chart of nervous system. She did presentation on nervous system. While doing question-answers, Lakshmi found it difficult to understand some questions, so she is not able to answer it properly. When we give a test, Lakshmi couldn't understand the questions, and sometimes she doesn't know the answers.

**Countries and capitals:** When we were doing the project of countries and continents, Lakshmi had taken the country Swaziland; she read about it and presented it in the class. She was not able to read and speak properly. She also didn't have confidence, but she was trying her best to present it well. We also made them learn capitals of countries and she tried her best to memorize them.

**Civilizations:** While we were doing the project of civilization, Lakshmi studied about early humans. She also presented about early humans, and she made the chart of early humans. In the test, she was able to understand the questions but she was not able to answer properly.

## Computers

She enjoys doing computer class with Lalu bhaiya and particularly loves doing painting. Sometimes she does a typing test to check her typing speed. In the test, she was not clear in typing and so she needs more practise.

## Music

Lakshmi sings well and she is always improving. She can sing some of the *alankars* and is able to remember the *teen taal*.

## Dance

Lakshmi loves to dance. She has learnt many dances like hip hop, street jazz, folk dance, and classical. Among these dances she loves to do hip hop the most. She learns the easy steps fast but takes time to learn the difficult steps. When

she doesn't

understand the step, she doesn't ask her teacher. While performing dance on the stage she forgets the steps. Now she is learning *bhangra*.

## Art and Craft

Lakshmi is good at colouring, but she needs to put in more effort in making drawings. She draws the nature most and her notebook is always full with pictures. Lakshmi is always ready and eager to do new activities. She is very good at cutting and pasting. She has developed her fine motor skills.

## Games

In games, Lakshmi plays various types of games such as minor games, football, base-kick ball, etc. She has to be present in the field by 4:00 pm. Among these games she likes to play base-kick ball the most. She loves playing games with all her classmates. Before playing

any games she does her warm up with her friends.

## Shramdaan

Lakshmi starts her *shramdaan* from 6:30 AM till 7:30 AM. She does different types of *shramdaan* like kitchen work, toilet cleaning, gardening, school cleaning and hostel cleaning. From all these *shramdaan* she loves doing toilet cleaning and

also likes kitchen work. Except for Wednesdays, she does *shramdaan* on the rest of the days of the week. She likes kitchen work as she gets to learn

how to cut the different types of vegetables in various ways.

### *Celebrations*

On 5<sup>th</sup> July celebrations, she performed a dance on the song 'Sri Ramachandra'. She performed it confidently on the stage. She enjoyed learning this dance. She also did a play 'Ganga Ka Avtaran'. In this play she played the character of a dancer.

On 11<sup>th</sup> August, she celebrated *Raksha Bandhan* and tied rakhi to one of the Bliss group children. She sang a song related to *Raksha Bandhan* and showed a play related to it.

On 13<sup>th</sup> August, she did a *hawan* and sang songs in memory of Chacha ji. She listened to stories written by Chacha ji and she learnt some inspiring new things.

On 15<sup>th</sup> August celebrations, she performed a play on Sri Aurobindo in England. She took the role of narrator. She was speaking the

dilogues clearly. She also performed a dance taught by Denis bhaiya (Chak de India}. She sang a song in Odia taught by Anuradha didi (Tume Nikhilo Bandonio). She sang the song well and did actions with the song.

### *Trip to South India*

It was a beautiful experience for Lakshmi to travel to so many new places with her siblings and friends. She was independent and strong during the trip. Sometimes she was carrying her own bag, as well as helping others to carry their bags. In the trip, she visited places like Simhachalam temple in Vishakhapatnam, Kanyakumari, Madurai, Rameshwaram and Puducherry. In Rameswaram, she saw the temple and the Ram-setu stone. In Vishakhapatnam, she went to Simhachalam and saw the

temple of Narasinghnath. In Kanyakumari, she saw a 3-D show, Vivekananda memorial rock and statue of sage Tiruvallur. In Pondicherry, she saw Sri Aurobindo's room. She enjoyed to eat the food which was served in Pondicherry. She also saw Sri Smriti and saw the things which were used by the Mother. She enjoyed the trip very much.
