

Khushi Pukia

DOB-1-June-15

Report for 2022-23 (first term)

English

Khushi has a very soft voice. She never speaks in the class. She listens to the

stories carefully but has limited understanding. She was fast in learning 'The God' poem. She does not show too much interest in singing songs.

Math

She is an intelligent girl. She knows forward and

backward counting, and she can do fluently. But sometime she gets confused in before 30, 40, 50, 60, 70, 80 and 90. She is able to recognize the numbers till ten. She has confusion in after and before and needs to improve. She played with some of the activities like aakar parivar, judo cubes and rangometry. In aakar parivar she arranged all the shapes in ascending and descending order and colour recognition. She also used the judo cubes for counting and she made some toys by using the cubes by joining them together. She also did the activities with objects rangometry. Here she made different designs and patterns on floor and on the board. She also made a 3-d house by using different shapes. She did this activity with full concentration. She has used many different objects for learning counting. She also did some of the word problems.

Project

Colour topic

She is fast in learning and is interested in doing all the activities she is taught. She pays attention in the class. She enjoyed doing the colour topic. She knew all the 7 colours name and recognized all the colours. She also decorated the display board by making different drawings using different colours. She was very quick to learn the colour song. She listened to the stories very carefully and answered all the question she was asked. She did many activities in colour topic like recognizing the 7 colours, songs, drawing,

watching videos, chart making and decorating the group. She did a drama on school's birthday and she had done a dance 'chanda chamke'. On 15th August, she recited a song 'Sri Aurobindo name ananado'. On 19th august, she did a

drama 'makhan chor', she had taken the role of a friend. On 30th August, she did a dance on the song 'Parbati ka nandan naache'.

Family topic

Her 2nd topic was my family. She did a drawing which was well drawn and answered all the questions about her family. She had drawn what her family does and her whole family on one paper. She also gave introduction about her family and of each member who are there. She was fully focused in the class. She was able to answer the questions she was asked, but she had a little difficulty in remembering who is called what in English.

Arts

She is a cute and good girl. She always talks softly and always listens to didis and friends. She does everything with concentration. She likes to do the activities with her friends rather than being alone. Her drawings are neat and clean, which she colours with such bright colours that they look very beautiful. She is good at cutting papers. She has done some activities like making ladybird, snail, double boat, house, nuts and leaves, and she did all the activities very eagerly and happily. She has little problem in doing the folds in paper folding. She listens to the instruction very carefully and participates in every skill work. Her drawing

skill is very good. She does all the work all by herself. She helps her friends when they ask. She needs help of the didis but she completes her work.

Games

She is a quite girl. She listens to what the teacher says to her and she does all the exercises properly. She loves to play whatever games are played in her games session.

She is regular for the games. Her best exercise is side stretching.

Celebration
