

Swati is very gentle. She never disobeys. She is very caring towards others – friends, group mates and diyas all alike.

ENGLISH LANGUAGE

Swati has slowly warmed towards the language. She is more confident of herself while reading and while doing grammar exercises. Her sense of spellings has taken a turn for the better and she is also able to retain the pronunciation and spellings of new words.

She needs to be a little more assured while speaking. She is lazy to write sometime, but does a good job when she tries. Has 'confused b,d,p' a few times but it isn't a habit.

She can translate quite well but often fumbles with sentence construction. Played a memorable role in the drama. She is very vocal in class.

PROJECTS AND ACTIVITIES

Swati is sincere and hardworking. She enjoys paper folding and collage making.

Often a bit dreamy in disposition, she does not hesitate to approach the

teacher in case of questions or lingering doubts. She likes to be attended to in person. She is a promising girl-quick to make amends and learn from her mistakes.

MATH

Swati is doing the level 4 book. She is confident in four operations but not confident in division of big numbers. She is able to do the simple problems independently while needs help in word problems. She understands the concepts with concrete objects easily.

HINDI LANGUAGE

Swati thinks clearly, is imaginative and expresses herself well. Her writing is without mistakes.

She is also fond of reading. She enjoys reading poetry in different tunes along with group friends.

ODIA LANGUAGE

Swati is learning to read and write in Odia. Her understanding is good. She is good friends with Jayu and Tanushree. They like to do activities together.

Sports

Initially she was not too keen on games and sports. She would make excuses to avoid going to the field. She gets tired quickly. Nowadays she does exercises well. Running tires her, she does it in breaks.
